

SUMMER 2019 GAS STORAGE INTERNSHIP – WILLIAMSVILLE, NY

National Fuel Gas Company (NYSE: NFG) is a multi-billion dollar diversified energy company with corporate headquarters in Williamsville (Buffalo), New York and division operations in New York, Pennsylvania, Texas and California. The Company holds assets that span nearly every facet of the natural gas industry, including Utility, Pipeline and Storage, Exploration and Production and Energy Marketing. National Fuel's history dates to the earliest days of the natural gas and oil industry in the United States, and the Company has been responsible for many industry firsts.

PRIMARY RESPONSIBILITIES:

- Work under the guidance of a Storage Engineer to update computer models of natural gas storage fields that will be used for evaluating field performance, well improvement projects, and operational strategies
- Review well performance data to define reservoir characteristics for the model. The full scope of the project will depend on the background and qualification of the successful candidate
- Internship is primarily in an office setting, but there will be opportunities for field observation of gas storage well work and operations

MINIMUM QUALIFICATIONS:

- Minimum GPA of 3.0
- Upper division student enrolled in Petroleum Engineering or Geology curriculum
- Petroleum Engineering candidates, a minimum of three years of a Petroleum Engineering curriculum is required. Completion of coursework covering well and/or reservoir flow performance is a plus
- Geology candidates, a minimum of two years of a Geology curriculum including completion of coursework in sedimentation, stratigraphy and structural geology is required. Prior experience in any subsurface project and/or geology field camp is a plus.
- Exceptional strong verbal and written communication skills, demonstrated interpersonal skills
- Proficiency with Microsoft Office programs; specifically Excel
- Detail oriented, self-motivated and able to work independently as well as in a team environment. Please submit your resume, cover letter, and transcripts by **April 15, 2019** to:
