National Fuel Announces Management Change *Donna DeCarolis Assumes Utility President Role*

(Feb. 1, 2019) WILLIAMSVILLE, N.Y. – Today, National Fuel Gas Company ("National Fuel" or the "Company") (NYSE: NFG) announced Donna L. DeCarolis has taken responsibility as President for National Fuel Gas Distribution Corporation, the Utility segment of National Fuel Gas Company. She succeeds Carl M. Carlotti who has retired after more than 34 years of service.

DeCarolis has had a long career with National Fuel, having joined in 1983. Since 2007, she held the title of Vice President of Business Development for the Company. DeCarolis has managed a number of different business areas, including Investor Relations, Quality Assurance, Human Resources, Corporate Communications, Government Affairs, Energy Marketing, and Consumer Business.

As an active participant in economic, cultural, and educational nonprofits, DeCarolis serves on numerous boards in leadership roles, including as Vice Chairperson of The Business Council of New York State and Vice President for the Martin House Restoration Complex. She is a board member of the Buffalo Niagara Partnership and the Buffalo Sabres Foundation, as well as a member of the University at Buffalo School of Management Dean's Advisory Council and the Society of Gas Lighting. DeCarolis is a past Board Chairperson for Shea's O'Connell Preservation Guild as well as for Leadership Buffalo, of which she is also a graduate. DeCarolis holds both a bachelor's degree and master's degree in business administration from the University at Buffalo. She resides in Buffalo with her husband.

National Fuel is an integrated energy company reporting financial results for five operating segments: Exploration and Production, Pipeline and Storage, Gathering, Utility, and Energy Marketing. Additional information about National Fuel is available at www.nationalfuel.com.
